BIO

THREE PIECE ROCK OUTFIT HAILING FROM WILMINGTON, NC; LAWN ENFORCEMENT CREATES A WALL OF SOUND THAT IS EXPLOSIVE AND POWERFUL WHILE DOING SO IN A SIMPLISTIC AND EFFORTLESS WAY. INSPIRED BY VARIOUS ARTISTS OF THE 90S AND EARLY 2000S LIKE DINOSAUR JR., HUM, AND FAILURE. LAWN ENFORCEMENT HAS ALL OF THE RAWNESS AND AUTHENTICITY OF ANY EARLY GRUNGE OUTFIT WITH A FEW MODERN TOUCHES. CREATED BY MAX AGEE IN 2021, THE BAND IS NOW MADE UP OF LONGTIME FRIEND DAWSON NEWMAN ON BASS AND JACKSON DEGRAPPO ON DRUMS.

I loved the energy that this track filled my house and soul with.

-Girl at the Rock Shows

“In their single Burden, the band showcases their artistic prowess with a six-minute masterpiece that will appeal to both fans of 90s rock and modern rock enthusiasts alike.”
